

PROJECT

DRISHYAM

GIFT OF SIGHT

A collaborative initiative of Tangent India & 41 India

Bringing the gift of better vision to those who need it most

TOGETHER TOWARDS TOMORROW

THE PURPOSE

A clearer vision. A brighter future.

Project Drishyam aims to improve access to eye health and vision care across India.

THE CHALLENGE

Many children and senior citizens from economically disadvantaged communities live with vision difficulties that remain undetected or untreated.

OUR RESPONSE

Organise comprehensive eye-screening camps in schools and communities, identify vision-related problems and facilitate corrective care.

OUR PURPOSE

Ensure that eye-related problems are not merely identified, but that beneficiaries are guided towards the care they need.

WHAT THE CAMP OFFERS

More than a routine eye-screening

A comprehensive examination conducted by qualified optometrists and eye-care professionals.

Visual acuity

Testing clarity of vision.

Hidden squint

Detection of hidden squint and related abnormalities.

Eye structures

Examination of internal and external eye structures.

Colour vision

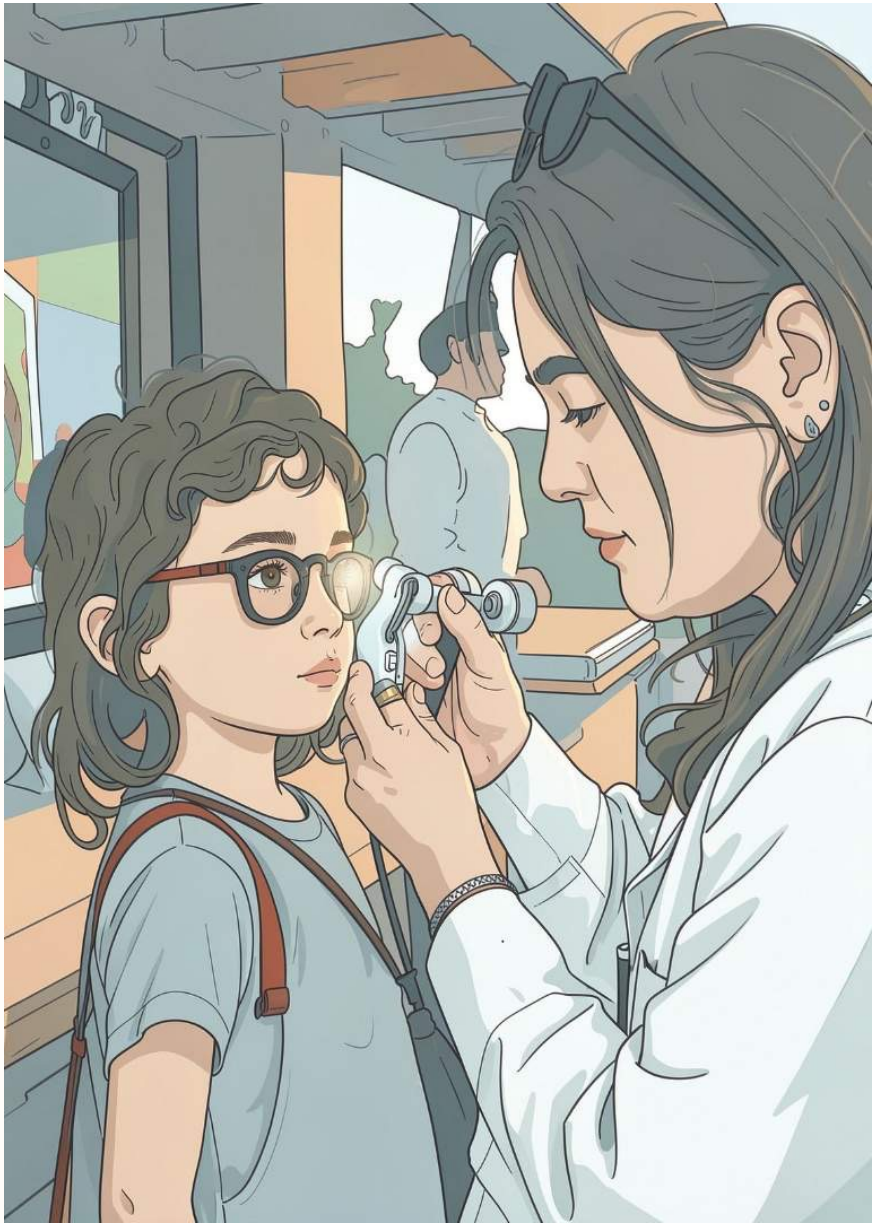

Testing to identify colour blindness.

Binocular vision

Assessment of coordination between both eyes.

Eye-health screening

Screening for possible diseases and abnormalities needing attention.

CARE BEYOND SCREENING

From identification to corrective support

The objective is to help beneficiaries access the next appropriate step in care.

FREE SPECTACLES

Children and beneficiaries identified as requiring corrective spectacles will be provided free of cost.

CATARACT CASES

Medication and support are provided in connection with cataract surgery cases, as applicable for senior citizens only

ELIGIBILITY FOR FREE SURGERY

Cataract surgery is provided free of cost exclusively to beneficiaries holding a valid BPL card, subject to eligibility and medical assessment.

FURTHER MEDICAL ATTENTION

Beneficiaries requiring further investigation or specialised treatment will be identified and guided appropriately.

TANGENT INDIA × 41 INDIA | PROJECT DRISHYAM

PROJECT FINANCIALS

A modest contribution. A meaningful impact.

Indicative daily camp costs and approximate screening capacity.

SCHOOL SCREENING CAMP

₹7,000

Per day

Approximately 100–125 screenings

COMMUNITY SCREENING CAMP

₹10,000

Per day

Approximately 100–125 screenings

Costs are approximate and may vary depending on the nature and requirements of the camp.

TANGENT INDIA × 41 INDIA | PROJECT DRISHYAM

HOW TO ORGANISE A CAMP

A simple, coordinated 8-step process

The prescribed process helps clubs plan camps smoothly and maintain clear accountability.

01 Club decision

Decide to organise and sponsor a camp.

02 Contact convenor

Request the prescribed application form.

03 Complete form

Provide club, coordinator, venue, screenings and date details.

04 Review & confirm

Convenor coordinates with OCI and confirms medical-team availability.

05 Contribute

Remit the approved amount through the Association of 41 Clubs of India.

06 Schedule

Allow approximately 15-20 days after formalities and payment confirmation.

07 Coordinate

Use the dedicated WhatsApp group for final arrangements.

08 Conduct & report

Hold the camp and document outcomes and beneficiaries.

STEP 3 | APPLICATION

What the application form must include

Please provide complete and accurate details to support smooth planning and coordination.

CLUB & COORDINATOR

- Name of sponsoring club
- Name and contact details of coordinating 41er
- Any other relevant coordination information

VENUE & CAMP REQUIREMENTS

- Complete address of school, institution or community venue
- Proposed number of screenings
- Preferred dates for the camp

STEPS 4–5 | APPROVAL & CONTRIBUTION

Approval first. Payment next.

Contributions are routed centrally for transparency and proper financial accounting.

1. SUBMIT

The club submits the prescribed application form to the National SYJ Convenor.

2. CONFIRM

The Convenor coordinates with Optometry Confederation of India (OCI). The camp date is confirmed after medical-team availability is checked.

3. CONTRIBUTE

After acceptance and date confirmation, remit the approved amount to the Association of 41 Clubs of India.

Members and clubs should not make direct payments to OCI under this arrangement.

FINANCIAL TRANSPARENCY

One channel. Clear documentation.

All contributions from 41 India members and clubs must follow the centralised payment process.

PAYMENT ROUTE

41 India member / club

↓

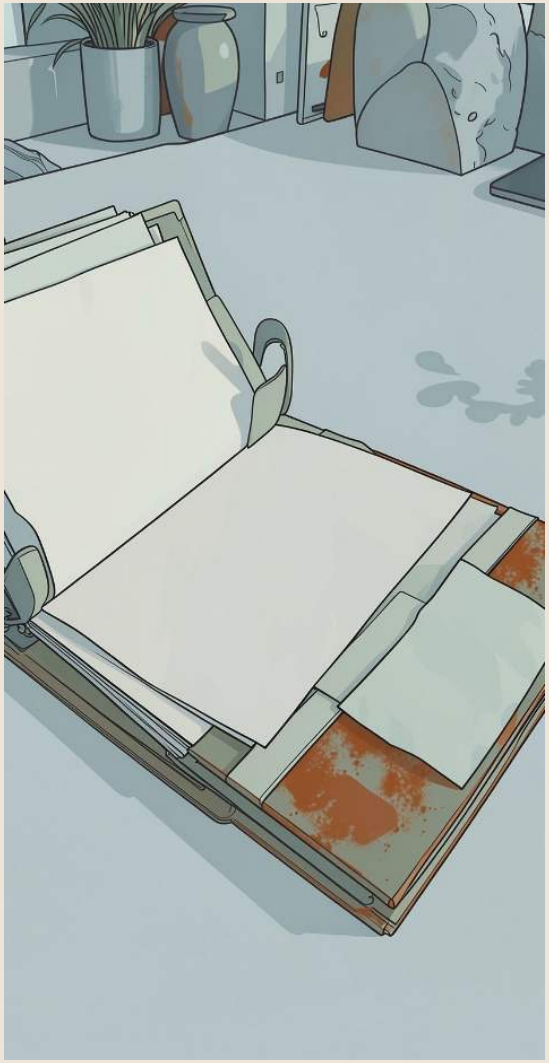

Association of 41 Clubs of India

↓

Optometry Confederation of India (OCI)

DOCUMENTATION

- KYC details of the remitter, as required
- Payment confirmation and remittance details
- Retain payment acknowledgement and project completion records

80G tax benefit: An 80G certificate can be availed for eligible contributions, subject to applicable statutory requirements and requisite documentation.

STEPS 6–7 | SCHEDULING

Plan ahead. Coordinate closely.

The National SYJ Convenor will facilitate the final coordination with the club and OCI.

ALLOW APPROXIMATELY 15-20 DAYS

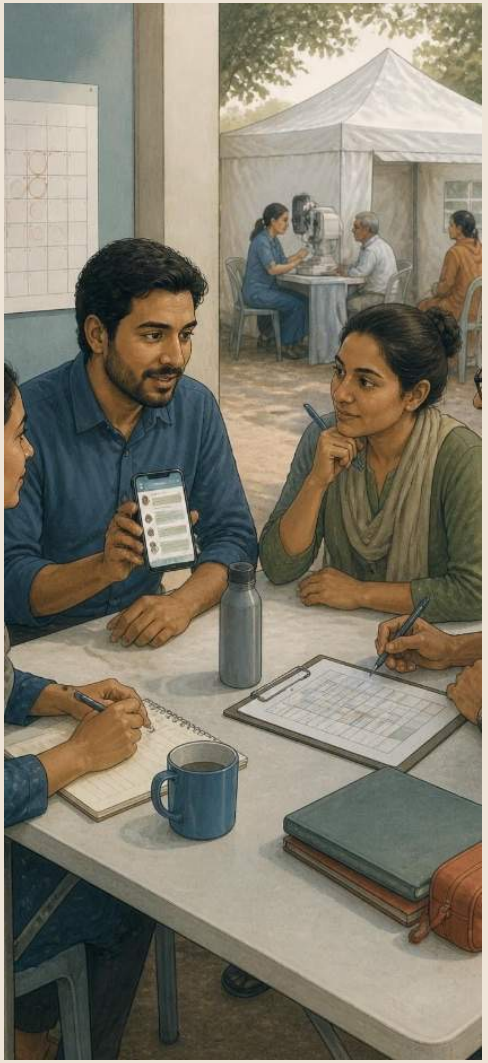

After formalities are completed and payment is confirmed, approximately 15-20 days will be required to organise and schedule the doctors' and optometrists' team.

DEDICATED WHATSAPP GROUP

A group will include:

- Coordinating Club Member (CM)
- OCI coordinator
- National Project SYJ Convenor & Project Convenor of Tangent India

Scheduling, logistics and final coordination will take place here.

STEP 8 | CAMP & REPORTING

Record the impact. Share the outcomes.

The sponsoring club is encouraged to actively participate and coordinate with the school or community.

CONDUCT

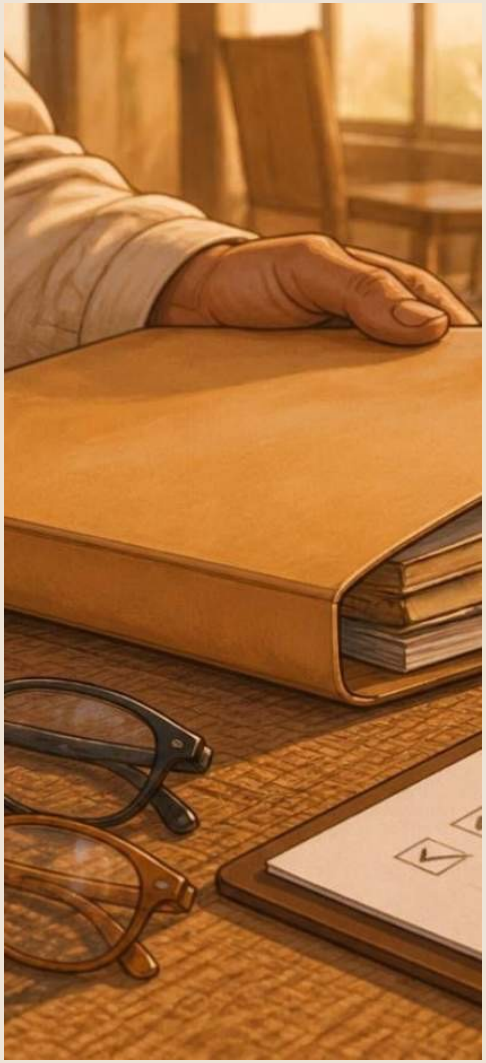

The medical team conducts the screening camp at the designated venue.

PARTICIPATE

The sponsoring club supports coordination with school or community representatives.

DOCUMENT

Record beneficiaries screened, spectacles provided and other applicable outcomes for consolidated reporting and impact assessment.

FINANCIAL & ADMINISTRATIVE GUIDELINES

The essentials every club must follow

A centralised process supports financial discipline, transparency and proper accounting.

01

Initiate every project through the prescribed application form.

02

Obtain project approval and doctor availability confirmation before contributing.

03

Route all club and member contributions through the Association of 41 Clubs of India.

04

The Association will make the corresponding payment directly to OCI.

05

Furnish KYC and remittance details as required.

06

Bank details are shared only after application acceptance and date confirmation.

07

Retain payment acknowledgement and project completion documentation.

08

Communicate changes in date, venue or screening numbers well in advance.

ROLE OF EVERY 41ER

How can you make a difference?

Every 41er, club and area can help take Project Drishyam to more deserving beneficiaries.

SPONSOR

Sponsor a school screening camp through your club.

IDENTIFY

Identify government schools and deserving institutions.

ORGANISE

Organise community screening camps.

COLLABORATE

Bring multiple clubs together to jointly sponsor a camp.

CONTRIBUTE

Encourage individual members to support the initiative.

HUNDREDS OF EYES SCREENED.

COUNTLESS OPPORTUNITIES CREATED.

DRISHYAM – GIFT OF SIGHT

Let us help them see a brighter tomorrow!
