

# PROJECT DRISHYAM

## GIFT OF SIGHT

A collaborative initiative of Tangent India & 41 India

*Bringing the gift of better vision to those who need it most*

**TOGETHER TOWARDS TOMORROW**

01 | THE PURPOSE

# A clearer vision. A brighter future.

Project Drishyam aims to improve access to eye health and vision care across India.

**THE CHALLENGE**
Many children and individuals from economically disadvantaged communities live with vision difficulties that remain undetected or untreated.

**OUR RESPONSE**
Organise comprehensive eye-screening camps in schools and communities, identify vision-related problems and facilitate corrective care.

**OUR PURPOSE**
Ensure that eye-related problems are not merely identified, but that beneficiaries are guided towards the care they need.

02 | WHAT THE CAMP OFFERS

# More than a routine eye-screening

A comprehensive examination conducted by qualified optometrists and eye-care professionals.

| | |
|---|---|
| **Visual acuity** | Testing clarity of vision. |
| **Hidden squint** | Detection of hidden squint and related abnormalities. |
| **Eye structures** | Examination of internal and external eye structures. |
| **Colour vision** | Testing to identify colour blindness. |
| **Binocular vision** | Assessment of coordination between both eyes. |
| **Eye-health screening** | Screening for possible diseases and abnormalities needing attention. |

03 | CARE BEYOND SCREENING

# From identification to corrective support

The objective is to help beneficiaries access the next appropriate step in care.

**FREE SPECTACLES**
Children and beneficiaries identified as requiring corrective spectacles will be provided spectacles free of cost.

**CATARACT CASES**
Medication and support are provided in connection with cataract surgery cases, as applicable.

**ELIGIBILITY FOR FREE SURGERY**

Cataract surgery is provided free of cost exclusively to beneficiaries holding a valid BPL card, subject to eligibility and medical assessment.

**FURTHER MEDICAL ATTENTION**

Beneficiaries requiring further investigation or specialised treatment will be identified and guided appropriately.

04 | PROJECT FINANCIALS

## A modest contribution. A meaningful impact.

Indicative daily camp costs and approximate screening capacity.

| CAMP TYPE | COST PER DAY | SCREENING CAPACITY |
|---|---|---|
| School screening camp | **₹7,000** | Approximately 100–125 screenings |
| Senior Citizens screening camp (Old Age Homes) | **₹10,000** | Approximately 100–125 screenings |

*Costs are approximate and may vary depending on the nature and requirements of the camp.*

05 | HOW TO ORGANISE A CAMP

## A simple, coordinated 8-step process

The prescribed process helps clubs plan camps smoothly and maintain clear accountability.

| | | |
|---|---|---|
| **01** | **Club decision** | Decide to organise and sponsor a camp. |
| **02** | **Contact convenor** | Request the prescribed application form. |
| **03** | **Complete form** | Provide club, coordinator, venue, screenings and date details. |
| **04** | **Review & confirm** | Convenor coordinates with OCI and confirms medical-team availability. |
| **05** | **Contribute** | Remit the approved amount through the Association of 41 Clubs of India. |
| **06** | **Schedule** | Allow approximately 15 days after formalities and payment confirmation. |
| **07** | **Coordinate** | Use the dedicated WhatsApp group for final arrangements. |
| **08** | **Conduct & report** | Hold the camp and document outcomes and beneficiaries. |

06 | STEP 3 – APPLICATION

# What the application form must include

Please provide complete and accurate details to support smooth planning and coordination.

### Club & coordinator

- Name of sponsoring club
- Name and contact details of coordinating 41er
- Any other relevant coordination information

### Venue & camp requirements

- Complete address of school, institution or community venue
- Proposed number of screenings
- Preferred dates for the camp

07 | STEPS 4–5 – APPROVAL & CONTRIBUTION

# Approval first. Payment next.

Contributions are routed centrally for transparency and proper financial accounting.

1. SUBMIT

The club submits the prescribed application form to the National Project Convenor.

2. CONFIRM

The Convenor coordinates with Optometry Confederation of India (OCI). The camp date is confirmed after medical-team availability is checked.

3. CONTRIBUTE

After acceptance and date confirmation, remit the approved amount to the **Association of 41 Clubs of India**.

IMPORTANT

Members and clubs should not make direct payments to OCI under this arrangement.

08 | FINANCIAL TRANSPARENCY

# One channel. Clear documentation.

All contributions from 41 India members and clubs must follow the centralised payment process.

**41 India member / club**

↓

**Association of 41 Clubs of India**

↓

**Optometry Confederation of India (OCI)**

### Documentation

- KYC details of the remitter, as required
- Payment confirmation and remittance details
- Retain payment acknowledgement and project completion records

**80G TAX BENEFIT**
An 80G certificate can be availed for eligible contributions, subject to applicable statutory requirements and requisite documentation.

09 | STEPS 6–7 – SCHEDULING

## Plan ahead. Coordinate closely.

The National Project Convenor will facilitate the final coordination with the club and OCI.

**ALLOW APPROXIMATELY 15 DAYS**
After formalities are completed and payment is confirmed, approximately 15 days will be required to organise and schedule the doctors' and optometrists' team.

### Dedicated WhatsApp group

A group will include:

- Coordinating Club Member (CM)
- OCI coordinator
- National Project Drishyam Convenor

Scheduling, logistics and final coordination will take place here.

10 | STEP 8 – CAMP & REPORTING

## Record the impact. Share the outcomes.

The sponsoring club is encouraged to actively participate and coordinate with the school or community.

**CONDUCT**
The medical team conducts the screening camp at the designated venue.

**PARTICIPATE**
The sponsoring club supports coordination with school or community representatives.

**DOCUMENT**
Record beneficiaries screened, spectacles provided and other applicable outcomes for consolidated reporting and impact assessment.

11 | FINANCIAL & ADMINISTRATIVE GUIDELINES

## The essentials every club must follow

A centralised process supports financial discipline, transparency and proper accounting.

**01** Initiate every project through the prescribed application form.

**02** Obtain project approval and doctor availability confirmation before contributing.

**03** Route all club and member contributions through the Association of 41 Clubs of India.

**04** The Association will make the corresponding payment directly to OCI.

**05** Furnish KYC and remittance details as required.

**06** Bank details are shared only after application acceptance and date confirmation.

**07** Retain payment acknowledgement and project completion documentation.

**08** Communicate changes in date, venue or screening numbers well in advance.

## How can you make a difference?

Every 41er, club and area can help take Project Drishyam to more deserving beneficiaries.

**SPONSOR**
Sponsor a school screening camp through your club.

**IDENTIFY**
Identify government schools and deserving institutions.

**ORGANISE**
Organise community screening camps.

**COLLABORATE**
Bring multiple clubs together to jointly sponsor a camp.

**CONTRIBUTE**
Encourage individual members to support the initiative.

# HUNDREDS OF EYES SCREENED.
# COUNTLESS OPPORTUNITIES CREATED.

## DRISHYAM – GIFT OF SIGHT

*Let us help them see a brighter tomorrow!*
