The 41India stands for continued Friendship (Friendship Forever) and determined to forge a friendly relationship with Round Table India, FTE and RT International as well.

The Association promotes to continue relations and fellowship with 41ers from 41 clubs across India who will be members of the 41 India (Affiliated to 41 International).

The flagship activity of our Association is the Young Ambassadors Program this program enables cultural exchange visits of children of 41ers between India and other member counties of 41 International. We are a strong 281 clubs and approx. 3600 members, divided into 10 areas with strong fellowship bonding and we aim to do at least one lakh worth of projects per club thereby doing projects worth more than two crores in the year.

We are also engaged in actively supporting Round Table India by raising corporate sponsorships for their projects

The wives too have an optional organization to shine… TANGENT. Retiring Circlers can continue the local and international friendships; and the wives who could not be circlers
then due to various choices or challenges, can now find an avenue of doing more in that direction under TANGENT.

ABOVE ALL….. It's a natural friendly family extension to our tabling times
